

Rubicon™

Curved Frameless Lens Design

PROTECTIVE EYEWEAR WITH CORD & CASE

Rubicon's curved lens design which offers a close orbital seal for increased protection is this Pro Grade style's most innovative feature. This style's lens offers a 180° optically correct viewing area and meets ANSI Z87+ safety requirements. MCR Safety's Professional Grade eyewear is engineered to provide the highest level of innovation for consumers that demand the very best in safety.
