# MEMPHIS™ FLEX

**96731**

- General Purpose
- Seamless Nylon Shell

### Features:

Both of MCR Safety's Memphis Flex styles offer a textured foam latex coating on durable seamless knit shells. This combination provides enhanced grip with excellent abrasion and tear protection. Combine what may be one of our most versatile industry offerings at an economical price and you have a winning combination!

- Foam Latex Palm Coating
- Seamless Knit Liner
- C.E. Score 3131
- Sizes: L, M, S, XL
- Colored Coded Hems

L = White

M = Blue

S = Yellow

XL = Green

- 12 Dozen Per Case

These styles are well suited for Multi-Industrial applications that require high dexterity and comfort. Our Hi-Vis Series are also recommended for low-light environments or where operations are conducted before or after day-light hours.
