

WELDERS

Select Side Leather

Memphis Glove premium welders provide maximum protection in conditions when exposed to heat, flame or spark. Premium welders are made from select side split cow and select grain Elkskin for protection that takes the heat. All premium welders are sewn with super-strong, heat-resistant DuPont™ KEVLAR® thread. Each have a full sock lining, self-hemmed cuff, and are fully welded, affording an assortment of protection for your desired level of heat environments.
